MANAGING PRINCIPAL, 13TH FLOOR INVESTMENTS
MIAMI

5X

Since its inception, the company has acquired, developed and managed nearly \$2.6 billion in residential, industrial and mixed-use, transit-oriented developments across the Southeast. Among its deals in 2021, 13th Floor acquired 3 acres in downtown West Palm Beach.

Birthplace

Paris

Education

Bachelor's degree, mechanical engineering and economics, Duke University; MBA, Harvard Business School

Deal that launched my career

Link at Douglas, a transit-oriented development that connects with The Underline linear park

Enduring lesson from Covid

Our ability to predict the future is random at best.

Tip for protégés

Wake up early.

Habit to start my day

12 ounces of pure celery juice

To unwind, I

Build Legos with my two sons and daughter. It makes me proud to see them build projects from the ground up.
